"A Tribute To The Senior Class"

Friendship

Friendship is truly
a gift to behold,
It can neither be bought
for money, nor sold for gold.

No matter how rough
or windy the storm,
It is friendship like this
that will make you feel warm.

This is a gift from God
up above,
For you see, he wants us
our neighbor to love.

Many have lied and cheated
to gain someone's favor,
But it is the essence of truth
that captures the savor.

Anything less than being
a good friend,
Will wither and die
and break up in the end.

In Friendship-It is not what you get
but what you can give
And it is friendship like this
that forever will live.

With Christ as our Savior
and this as our guide,
With Him, in Heaven,
We all shall abide.

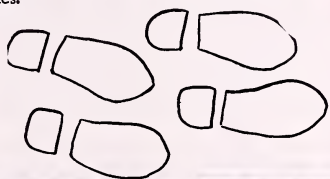

Nancy Munsey

First Graduating Class
Of Gate City High School

With this poem is a prayer also dedicated to the Class of 1975

That God will be with you and guide and direct you, as you venture into a new and different realm of life. That this generation will be an asset to our country. That God will give you wisdom and understanding in all things. That instead of having hatred for anyone, that instead you pray for them. That instead of division among our Nation, that you bring about a new togetherness. Your goal will be a trying and tremendous aim, but with love, patience, truth, and understanding-Once again we can say "These United States of America"-with a more meaningful and brighter outlook.

A Special Word to My Little Devils

4-3-2-1 and you did it! You told me that 1974 was the magic year, and it was! You showed a faith, determination, and courage that will not be surpassed, even though it may be equaled. You have left me many precious memories and a few bruises. That's right--bruises! You see when YOU got hit I hurt.

I am sure that you join with me in paying tribute to your fine coaches and the other members of your team. Without all of them it would not have been possible. The fine support you received from your fellow students, your teachers, your parents, and your fans made us all a team.

I shall watch your future careers with much love and interest, and I know that my scrapbook of "My Little Devils" will grow and grow. It will be kept with much love for each of you:

Devils Beat Amherst

Southampton Falls, 28-7, To Gate City

COURTLAND (AP) — Mickey Rogers ran 22 times for 103 yards and two touchdowns Saturday as Gate City's Blue Devils converted a blocked punt and a fumble into scores and took the state Group AA football title 28-7 win over defending champion Southampton.

It was the 13th straight victory this season for Gate City and the Blue Devils' 20th in a row over the last two seasons. The defeat ended a 25-game Southampton winning streak and left the Indians with a 12-10 record for the year.

Ricky Shoemaker blocked a punt at the Southampton 35 in the first period to set up the Blue Devils' first score. Rogers went in from one yard.

The Blue Devils upped their lead to 14-0 in the second period with a 70-yard drive in 12 plays, capped by a two-yard scoring run by Dennis Wolfe.

Rogers ran 10 yards for a TD at the end of a 56-yard drive following the second half kickoff, and the Blue Devils made it 28-0 in the third period when Ricky Begley recovered a fumble at the Southampton 51.

Gate City Blue Devils Whip John Battle, Extend Season Mark To 10-0

The Gate City Blue Devils unleashed an awesome ground attack Thursday night as they thrashed John Battle 70-15.

The win left Gate City with a perfect 10-0 regular season record and set the stage for Friday nights clash with New River champs Radford in the first round of the AA State playoffs.

From this point Harry Fry turned to his bench and inserted his second offensive backs. Little David Wolfe 5' 8" (150 pounds) really put on a show as he ran for five touchdowns on runs of 51,

ROGERS, whose brothers Anthony, Stan and Phil were Gate City stars in bygone years, has now gained 4,175 yards, scored 364 points and tacked 58 touchdowns and 14 extra points on the scoreboard in his career. In 1974 alone, Rogers has scored 134 points on 22 TDs and two extra points, rushed for 1175 yards on 90 attempts for a 13.0 average per carry and caught 10 passes for 205 yards and two TDs. He's among the all-time best in SW Virginia.

Gate City's offense, of course, is a star-studded one. There's lots of talent and lots of teamwork and, as usual, this team is well-coached and bristling with intestinal fortitude.

Tim Blackenbecker, the tank-like fullback, has 794 yards rushing and 14 touchdowns, the Wolfe brothers, Dennis and David, show 588 and 412 yards rushing

Gate City Vs. Radford

Showdown Brews In 'Devil's Den'

By DAVE SPARKS

H-C Sports Editor

Gate City, the small Scott County town where football is such big business that a football statue decorates the front lawn of the high school campus and fireworks and a locomotive-type steam whistle explodes ever time the "Big Blue Cannonball" scores, is sprucing up for another gridiron classic Friday night.

It takes a special opponent to bring out the very best in the Blue Devils and Friday's is special — real special. New River District champion Radford (9-1-0) is coming to knock heads with the Cannonball (10-0-0) for the Group AA Region Four championship. Norman Lineberg's Bobcats, a two-time state champion, comes to the Den for the first time and Gate City is sky-high for a rematch. You see, the last time Gate City

HOW GOOD is this edition of the Blue Devils? Very good — maybe even as good as the great team of 1970 that shelled James Monroe 40-8 as the blue snowflurries hit Fredericksburg and the Blue Cannonball left tank tracks in the turf.

UP FRONT, Gate City has the hosses. Super guards Rick Begley and Rick Shoemaker, the 'Rackin' Ricks,' and guys like tackle Terry Loggans, tackle Terry Frazier and center Gary Calhoun move 'em out with authority to spring the fleet, powerful Blue Devil backs.

Defensively, Gate City is leather-tough. Some, like Shoemaker and Begley, play both ways and there are other head-hunters like Brian Godsey and solid football team end.

They said they couldn't win the state championship year, nor the next, nor the next, because all of them just be juniors and probably not starting.

GO BIG BLUE

By BOB FOLEY

COURTLAND—There are no more mountains for Gate City to climb and maybe it was fitting that Pearl Harbor Day produced the climax to one of the most fabulous football seasons here Saturday afternoon at Southampton.

Because it was the hearts of Gate City's Group A attack of their titlist Southampton.

This state championship game, the first since 1970 (40-8), was as close as the nonball, back high-powered the quick but.

Only in the second half, and late in the game, did Gate City take control.

The Blue Devils' coach Warren Wolfe did his team's best at Southampton.

GATE CITY—The jury's still out on several Gate City football players as far as major college football is concerned—but not so Dennis Wolfe.

Friday night here in Gate City's 35-7 playoff romp over Radford, he enjoyed his finest hour, time and time again breaking tackles with slashing runs.

A Place to Grow . . .

"What we do during our working hours determines what we have in the world; what we do in our play hours determines what we are."

George Eastman

More than 13,000 Eastman people and their families, joining with their neighbors in the civic, religious, governmental and recreational activities of their communities have made a better place in which to live. Doing their share in their leisure hours has, indeed, determined what they are—and has helped make their communities what they are.

Be one of the New Minutemen.

Remember the first Minutemen? They were civilians ready to protect the good things about America.

Today's Army National Guardsmen are civilians too. With the same idea in mind.

They're the New Minutemen.

As a high school graduate, there will be good reasons why you should consider joining them.

You'll train one weekend a month in your own community.

You'll have a chance to learn a trade or skill that could help you get a good civilian job.

A chance to earn extra money. (Over \$40 a weekend to start.) To develop leadership skills. To help the community. To show you're a responsible person.

In short, the Army Guard can help you acquire the skills and develop the personal qualities you need to get ahead in your new life.

Contact your local Army National Guard Recruiter and learn more about the Army Guard. It could be the most important part-time job in America.

Portable teaching machine

Sturdy. Self-contained. Ready to use anywhere, anytime. Needs no batteries or other power source. Nothing to wind, load or prepare. So simple to operate that any child can manage it, so compact it can be carried easily in one hand. And it lasts for years — even for a lifetime.

Books are the original portable teaching machines. They're still the best — and the most economical.

LASTING
FOOTPRINTS
OF
MEMORY

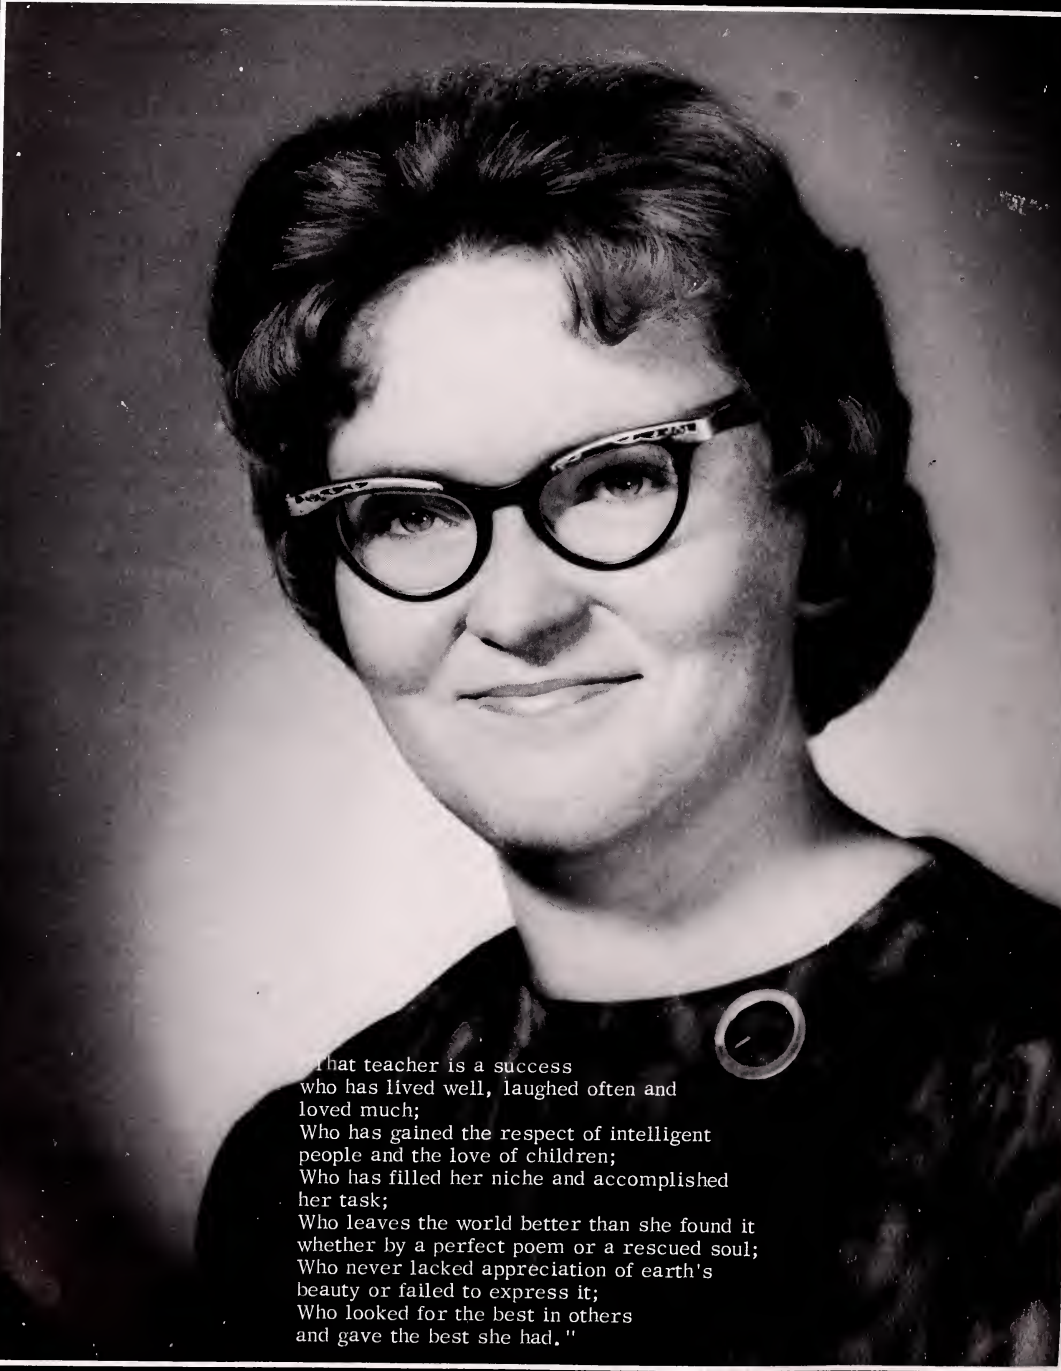

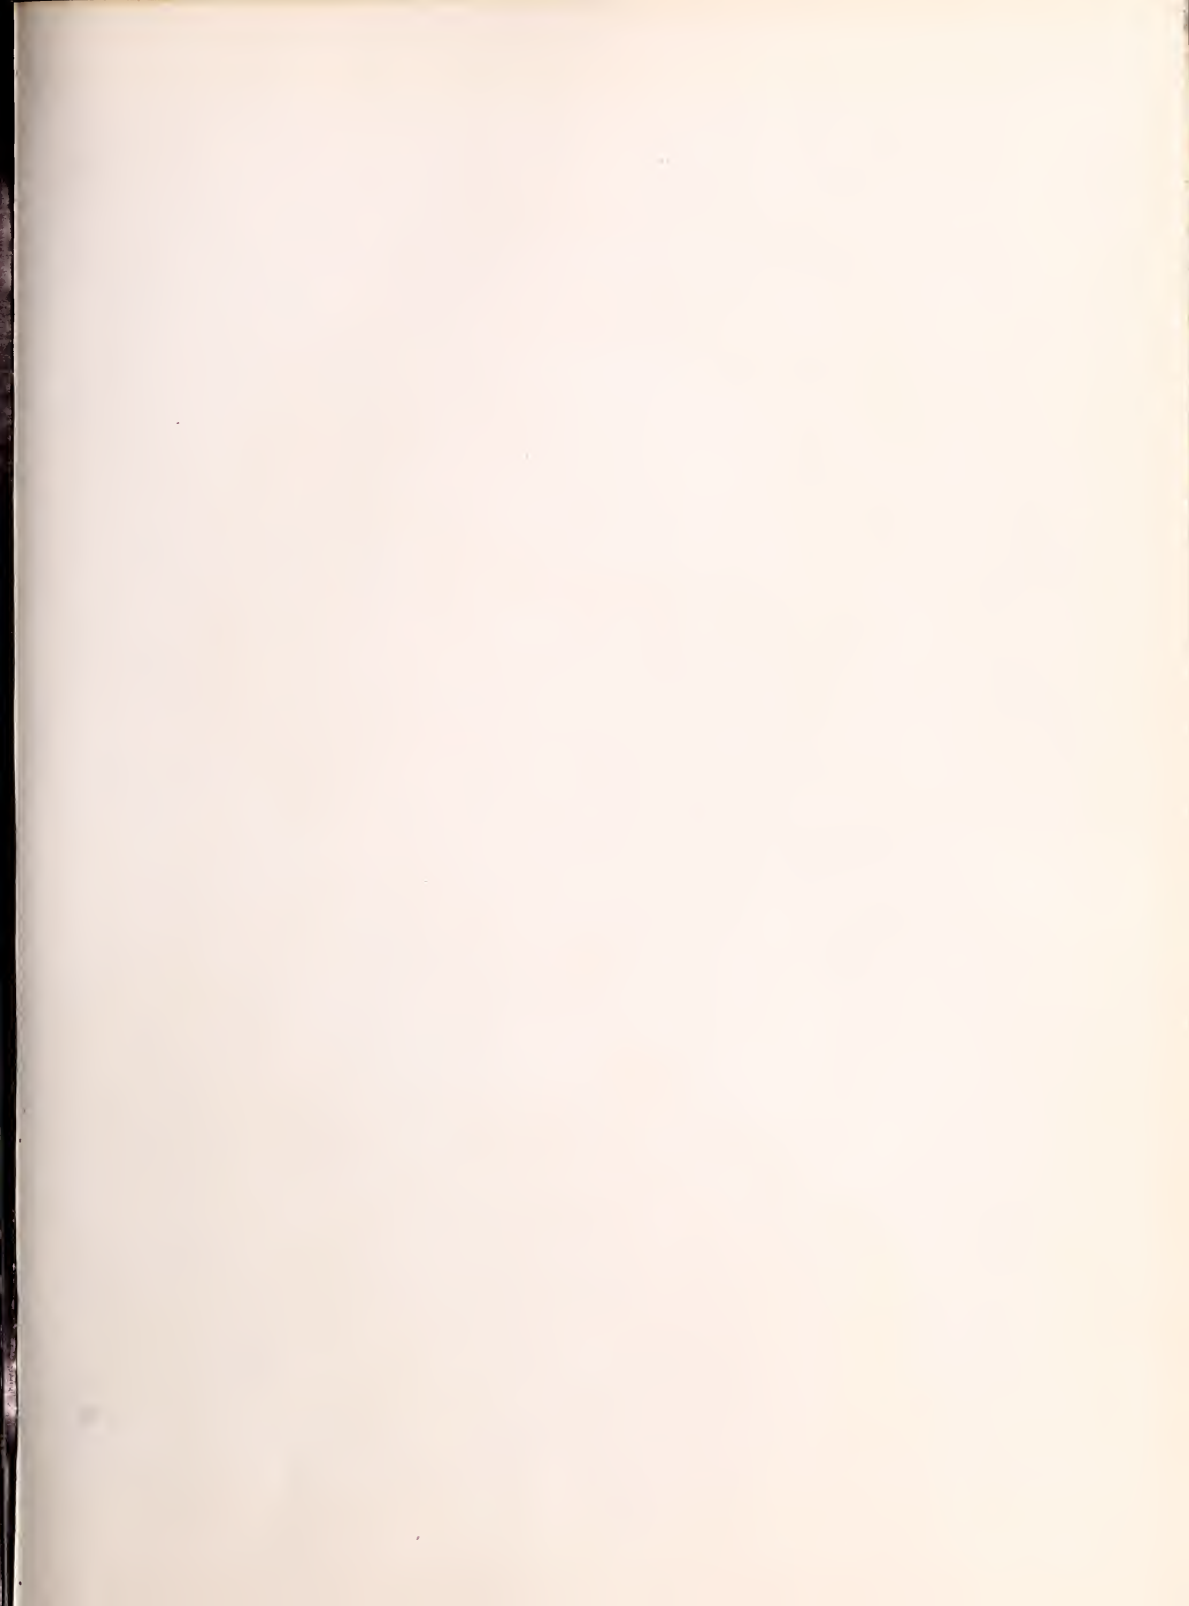

Lives of great men All remind us
 We can make our lives sublime,
 And departing, leave behind us
 Footprints on the sands of time.

Longfellow

That teacher is a success
who has lived well, laughed often and
loved much;
Who has gained the respect of intelligent
people and the love of children;
Who has filled her niche and accomplished
her task;
Who leaves the world better than she found it
whether by a perfect poem or a rescued soul;
Who never lacked appreciation of earth's
beauty or failed to express it;
Who looked for the best in others
and gave the best she had."
